

SATAN IS AFTER YOUR FAITH

5/29/18 Concert of Prayer

THE GREATEST THING YOU HAVE IS YOUR FAITH

Stay connected to the Spirit of God. This is your prayer meeting tonight. The Spirit of God is looking to accomplish some things for you tonight and it'll be accomplished to the degree that you stay connected with Him. Let Him stir something up inside you. Let Him minister to you, as you minister to God. He sends His Holy Spirit to minister to you. He's in the midst of us right now. It's touching you, He's stirring things up in your life right now. If you feel like you don't have money, you don't have a job, maybe you don't have somebody else's support, let me tell you tonight you have the greatest thing you could ever have. The greatest thing. The greatest weapon, the greatest tool, the greatest spiritual force that could change everything and anything in your life if you will engage it. Jesus talked about it extensively. Jesus scolded his disciples when they didn't use it. Jesus celebrated those who did use it. Jesus informed us that our victories and our abilities to overcome even impossible things would be dependent on Him.

FAITH IS THE MASTER KEY

I'm talking about the master key. I'm talking about a force that is more powerful than a physical weapon. I'm talking about the master key that opens everything else from heaven. I'm talking about your faith. God said cast not away thy confidence which has great reward. Which has great reward. Your greatest fight is not for your health. Your greatest fight is not for your finances. Your greatest is not for your family.

YOUR GREATEST FIGHT IS TO KEEP YOUR FAITH, THAT TAKES CARE OF EVERYTHING ELSE.

- Divine health will come to you because of faith.
- Divine prosperity will come to you because of faith.
- You will move mountains because of faith.
- You will move in new supernatural dimensions because of faith.

- You will overstep boundaries and do the miraculous because of your faith. Faith is the master key and as you engage with the Holy Spirit tonight, faith is arising on the inside of you.

FAITH IS:

- Faith has a voice, it speaks prophetic things.
- It declares what shall be the end of your storm.
- Faith does not describe the storm.
- Faith begins to describe the victory in spite of the storm.
- Faith is not mental hype, it's not a word of inspiration.
- It's not a motivational word.
- Faith is the force that God used to create the heavens and the earth.
- Faith is what Jesus used to walk on water.
- Faith is what Jesus used to open up blinded eyes.
- Faith is what Jesus used to command the supernatural.

And faith is available to you.

GREAT OBSTACLES WERE OVERCOME THROUGH THE USE OF FAITH

When a centurion soldier asked the Lord to come for his servant was deathly ill. He said, *"Lord I am not worthy that you should come under my roof but only speak the word and my servant shall be made well."* That was faith speaking. The blind man said, *"Lord I want to see."* Jesus asked him, *do you believe that I can do this?* He said *Lord I believe.* Jesus said *Let it be done according to your faith.* When the centurion came over to the Lord, Jesus said I have not seen Such great faith in all of israel. When the disciples were in fear because of the waves and the winds that were beating against the boat, Jesus used His faith to calm the storm. And then He scolded His disciples for not using their faith to do the same. If Jesus ever gets after you it's because He loves you and it's because you did not exercise your faith to calm your storm. You tried everything else except your faith. One of the greatest weapons the master key that God has given us tonight. Tonight, perhaps you shed tears, tonight perhaps you cried. Perhaps tonight you feel hopeless, you feel like you have nothing. But the greatest thing is what you do have and that is your faith. Your faith will get the money, your faith will get the victory, that healing, the breakthrough, whatever you need. So tonight, what will you accomplish? What great exploits will you conduct tonight? As a result of your faith. What things will change

tonight because of your faith? What obstacles shall be overcome? What challenges will be overcome by this great force of faith? What great things will change tonight? Because of your faith. As they lead us into a bit of more worship, I want you to think that if anything needs changing in your life that money cannot accomplish, or physical effort cannot accomplish faith will get the job done. Faith. And by faith they received the dead back to life and by faith they bore children when they couldn't and by faith they overran obstacles and by faith the walls of Jericho came down and by faith blinded eyes were opened up, and by faith devils were cast out, by faith, by faith, by faith, by faith, the master key. By faith. You don't have money? Faith can do more than what money could ever do. If you don't have status, faith can achieve more than what status could ever do. God did not leave you hopeless or helpless He left you with some faith. That you might accomplish whatever you need to accomplish. **IT'S NOT ABOUT WHAT GOD CAN DO IT'S ABOUT WHAT YOU'RE CAPABLE OF BELIEVING.** All things are possible to them that believe. All things are possible for them that believe. And Abraham was totally convinced that what God had promised He was able to perform and it was accounted to him as righteousness. **CONVINCED!** Are you convinced that your God is more than enough? **ARE YOU CONVINCED THAT NOTHING IS IMPOSSIBLE WITH GOD? THEN LET YOUR FAITH BEGIN TO SPEAK BECAUSE FAITH HAS A VOICE.** Faith is released through voice.

Faith can overcome every and all challenges.

It's not a motivational speech I'm giving you, I'm giving you a commandment to engage your faith. Lest the Lord say oh, you of little faith, why did you fear? Oh, you of little faith why did you doubt? Let's not have Him say that to you tonight. But let them say oh, woman great is thy faith! Your faith has made you well tonight! Great is thy faith! Let tonight's prayer meeting be an expression of your faith through your worship, through your praise, through your prayers through your declarations Oh, great is thy faith my brother, Great is thy faith my sister! If you have faith as a mustard seed, you shall say unto this mountain be cast into the sea and it shall be done and you can have whatever you say. The Bible declares great is thy faith woman, it has made you well tonight. Great is thy faith oh man. For change is coming to you because of what you did tonight. By the exercise of your faith. The blind man said Lord I believe, I believe. The woman with the issue of blood said if I could just touch the hem of His garment I shall be made whole. She didn't say let me try this, let me see if it works. She didn't say

that. That's not faith speaking. She said if I can only touch the hem of His garment, if I could just touch Jesus. If I can just touch at least, if I can touch His hand, if I can at least touch what He's wearing. If I can touch His garment, I shall be made whole. Tonight, you might proclaim if I reach up and touch the Lord by faith right now. If by faith I touch the Spirit of God and the Spirit of God touches me back my situation is going to change. My situation is going to change. Tonight, things change because people of faith are reaching up with their faith and touching the Lord. Tonight, broken bones can be healed. Tonight, things are turned around in this situation even though they can look very negative. You can say, or you might think it's the end, or I planned to do this, but I guess I'm not going to be able, No, cast not away thy confidence which has great reward. Because your greatest fight is for your faith because Satan wants it. Jesus said to Peter, "Peter Satan has desired to sift you as wheat, but I have prayed that your faith fails not." He didn't say I'm going to pray for your health, I'm going to pray for your finances. No, He didn't say none of that He just said I'm going to pray for your faith, that your faith does not fail because if it doesn't fail then nothing else will. Because faith moves everything. It impacts anything. Peter, I have prayed that your faith fails not because if it does fail everything else will too. I pray that your faith doesn't fail. You're in a tug-of-war for your faith, Satan is scared of it. Because he knows if you learn to use it nothing shall be impossible for you anymore. If you learn to use this spiritual force called faith, nothing shall be impossible for you any more. You'll begin to move things supernaturally, if you learn how to use your faith. Nothing should be impossible for you anymore, what you couldn't do physically, do spiritually. You'll impact relationships, impact your career, you'll impact your destiny, you'll impact your medical situation, you'll impact by the use of your faith. Tonight, you change things with the faith that God is giving you tonight. Let us express our faith tonight. This is a prayer meeting. Express it by the words of your song, express it by your proclamations, express it by your prayers. Tonight, faith describes what you see. It's not the end, it's only the beginning. One thing may have closed but faith will open up something better. If one door closes on you then you open up a bigger one with your faith. Open up a bigger one with your faith. If one opportunity passed you by, then you create another one with your faith tonight. If everybody else has given up, then you show everybody else what your faith can do tonight. Let faith arise!

WHEN FAITH KICKS IN, YOU SEE SOMETHING TOTALLY DIFFERENT

Let me help you. You know what your physical eyes have seen. You've described your situation, there's something broken in your body, something broken in your life or you're struggling financially or you're struggling with relationships. Whatever it is that you have seen, you've seen the distraction, you've seen the hopelessness you've seen the tears, the negative of that situation. Now this is how I can help you. **TO DETERMINE IF FAITH HAS KICKED IN, WHEN FAITH KICKS IN, YOU SEE SOMETHING TOTALLY DIFFERENT.** Even if those circumstances have not changed physically, you see the situation totally different. If there's brokenness in your life, you already see yourself whole and healed, jumping, and rejoicing. **YOU'RE ALREADY THERE.** If you're struggling and you've seen that, you've experienced the pain of that, the way you can tell when faith has kicked in, **IS YOU KNOW LONGER SEE THAT ANYMORE.** Now you see yourself in abundance, you see yourself in breakthrough, you see yourself having more than enough because faith kicked in. In other words everything changes, what you see changes, when faith kicks in. **IF ALL YOU CAN SEE IS THE NEGATIVE CIRCUMSTANCE, THEN FAITH HASN'T KICKED IN YET.** You need to keep working it. **KEEP WORKING THAT UNTIL YOU SEE IT, UNTIL YOU SEE IT.** If you're struggling with your children, you must see them already according to what God has promised you. You must see your children, your seed according to what God promised. Do you see them there yet? If not keep working on it, until your faith gets you there. Do you see the situation different yet? If not keep working at it. Do you see the situation change? Do you see it? Do you see it yet? Jesus prayed for a man and Jesus asked him what are you seeing? And he said, I see blurry. He was seeing blurry still. He was just seeing blurry, so, Jesus prayed for him again. Then he could see clear. Why? Because it was happening according to his faith. When faith has kicked in, you then are seeing things different. You're seeing things from God's perspective. Do you see yourself there yet?

IN JESUS NAME LET ME PRAY FOR YOU

Father in the name of Jesus open up their eyes that they may see the things that others cannot see. That they may discern things that others cannot discern. Father open up their eyes. They're having a hard time seeing their victory, they're having a hard time seeing the recovery, they're saying, they're having a hard time seeing their Victorias moments, they're having a hard time seeing. So, in Jesus name open your eyes, see yourself healed. See yourself healed. See yourself in that moment of victory. See your loved one rejoicing. See them happy. See them

prospering. Do you see them there yet? Keep focusing, keep focusing in Jesus name. Holy Spirit help them see. Do you see yourself in a different place? Do you see yourself in a different moment? Do you see the circumstances changed? Keep working your faith. Keep working your faith. God said I pray that you would prosper in all things, even as your soul prospers. Do you see yourself there? Let the worship team lead you in another moment of worship. Until your eyes open up.

God Almighty I see it different. I see us rejoicing. We might be weeping right now, but joy comes in the morning. We might be sowing in tears but without doubt we shall return rejoicing. Father I see it, I see my Lord, I see the OA congregation prospering in health and wealth and everything that they touch. Their families prospering, their children and their grandchildren, their homes, opportunities, breakthroughs, moving in divine strength, moving by faith. I see marriages prospering I see relationships prospering I see homes prospering, I see that my Lord. No sickness disease any longer, no lack any longer for the spirit of lack has been rebuked. Everybody moving forward, everybody moving to new levels. In Jesus name all obstacles removed, all doubt and unbelief removed in Jesus name as the spirit of man rises up In Jesus name let your spirit arise let your spirit arise right now and open up your eyes to what God has promised open up your eyes speak by faith what you see begin to speak by faith what you see. Where do you see your children? Where do you see your love ones? Where do you see your household? What do you see yourself? Let faith begin to speak prophetically let the prophetic language of the spirit of man begin to proclaim in Jesus name.

LET'S WORSHIP

1 Timothy 6:12 says, *fight the good fight of faith, lay hold on eternal life to which you were also called and have confessed the good confession in the presence of many witnesses.* Have you confessed the good confession tonight? In the presence of many witnesses? Fight the good fight of faith! That's the one thing that Satan is after. That's the one thing that Satan is scared of. That you'll hang onto your faith and you'll conduct great exploits. Faith is the only thing that scares Satan. Not your money, not your influence, not your position. He has toppled over people with a lot more money than you ever had. He's toppled people over with better positions that you have ever had. But he has never toppled anybody with great faith. He has never toppled anybody with great faith Satan has always lost against great faith. Now listen to that tonight. Sometimes the attack is because of your great faith. He's trying to get you to release it, to

abandon it. So sometimes the attack comes because you do have great faith, hoping to cause you to abandon it, to give up on it. But fight the good fight of faith, that means hang onto it, don't let go of it. Hang onto your faith and keep punching back with your faith. Those faith confessions, keep punching back until you have your breakthrough. It's a fight, amen! It's a fight! You have to get up and fight the good fight of faith. You just can't sit back and see what God 's going to do! God's going to respond to what you are doing. If you're doing nothing, then God will do nothing. But you need to keep fighting, fighting the good fight of faith, you must stay in the fight! Satan is after your faith because it's the one thing that he cannot defeat, that is your faith. Money, he can cause you to get fired. Not a problem. Position he can ruin your reputation, but what he cannot do is stop your faith. He cannot stop this spiritual force that's born within your spirit called faith.
